General Rules of Entry

This 155th Kingston Agricultural 2024 'Show' is conducted under Victorian Agricultural Shows Ltd. (VAS Ltd.) rules and the following rules. Entrants agree to abide by these rules.

1. No protest against an exhibit or the decision of a judge will be entertained unless made in writing and lodged with the Secretary of the Society (at the Secretary's Office) within one hour of judging. \$50 must accompany each protest and this sum shall be forfeited if the appeals committee consider the protest to be frivolous.
2. The Committee may withhold any prize when statements have been made fraudulently or erroneously about an exhibit.
3. The Judges may award a second or third prize instead of a first prize or may withhold a prize altogether where there is only one exhibit or where the exhibits are not considered worthy.
4. All successful competitors agree to have their names published in VAS Ltd. and Kingston Agricultural Society publicity and publications for the purposes of administering and promoting the relevant competition.
5. No Judge shall be an exhibitor in a class of which they are the judge.
6. The Judges shall be instructed to immediately notify the Committee of the Society regarding any exhibit which he or she considers to be tampered with or improperly dealt with.
7. Only authorised persons will be admitted to the judging areas during judging of any class and it shall be the duty of the stewards to prevent any persons interfering with the judges and if necessary, order the removal of any offender from the judging area.
8. All competitors and their associates must behave in an appropriate manner towards judges, stewards, show organisers and other competitors at all times. Abusive behaviour will not be tolerated. Any inappropriate behaviour reported to the committee may result in elimination from the event and removal from the Showgrounds.
9. All exhibitors must obey the direction of an official of the Society, including parking attendants
10. Any person causing a nuisance or undue noise or in any way interfering with the comfort of the public may be removed from the Showgrounds.
11. The use of tranquillisers, stimulants or any drugs capable of affecting the performance or behaviour of animals is forbidden. Random swabbing may take place and is at the owner's expense.
12. Dogs must be on a leash or contained at all times. This is not an off-lead dog area.
13. The Kingston Agricultural Society Inc. reserves the right to make alterations to the show program without notice.

Rules for Horse Events

1. Horse competitors are required to sign waivers (to be completed when booking online). Competitors and all those near horses are warned that horses are prone to be unpredictable. Care should be taken when riding near other horses or when on the ground near other horses. Please look after yourself and others. Please report any dangerous incident to the Secretary's Office.
2. The submission of an entry form shall be taken as a guarantee that any animal to be brought onto the grounds is free from disease as far as is known to the owner. In case of infectious disease being spread through or by an exhibitor the exhibitor shall be held responsible for any loss or damage caused.
3. If a rider falls off, he/she will not be allowed to remount until checked by medical personnel.
4. Meanings of terms for horse classes:
 - a. The term 'novice' means not having won a first prize in that class at any Agricultural Show.
 - b. The term 'intermediate' means not having won a 1st, 2nd or 3rd prize in that class competing singly at any Australian Royal Show.
 - c. The term 'show hunter' means ponies and hacks with a little more substance than is required for a show horse. A quality animal with bold, free movement and reliable temperament. A gallop may be required. The outfit for the Show Hunter classes is more subdued than that of usual saddle classes. Saddlery should be clean, neat, and plain. There should be no coloured browbands. Riders' dress should also be plain with no hair ribbons or flowers.
5. VAS Ltd. First Season Newcomer means ridden (saddle), hack, galloways and ponies competing in their first Season. Saddle horse, galloway or pony is defined to be 3 years of age and over.
6. The breeding year for horses shall date from August 1st.
7. Current height certificates issued by RASV and EV will be recognised by this Show Society. Horses and ponies without a current height certificate must be measured by the appointed measurer at the Show prior to being exhibited in a class where height is specified.
8. The use of tranquillisers, stimulants, or any drugs capable of affecting the performance or behaviour of animals is forbidden. Random swabbing may take place and is at the owner's expense.
9. A competitor who wins a Championship in an Open Saddle Class shall not enter the equivalent class in another ring.
